Crisis in egg processing industry

3293. SHRI R.S. GAVAI: Will the Minister of AGRICULTURE be pleased to state:

(a) whether it is a fact that poultry farmers and egg processing industry is currently in servere crisis with dwindling sales and mounting losses;

(b) if so, the factual position in this regard;

(c) whether Government propose to provide export subsidy to egg processing industry;

(d) if so, the details thereof, and

(e) the steps proposed to check the falling egg prices in the domestic market?

THE MINISTER OF STATE IN THE DEPARTMENT OF FOOD PROCESSING (SHRI TH. CHAOBA SINGH): (a) and (b) Representations have been received from Poultry Federations that poultry farmers and egg powder exporters are facing dwindling sales. Poultry is a State Subject and egg and poultry products are freely marketed commodities.

(c) and (d) Air freight subsidy is being given on the exports of hatching eggs. The rate of subsidy would be Rs. 6 per kg. or 25% of air freight approved by IATA OR 30% of FOB value whichever is less for exports to West Asia, South East Asia and CIS countries.

(e) The following major steps have been taken to check the falling egg prices:—

1. Financial assistance is provided to NGOs, Cooperatives, Public and Private Sector Organizations for the development of poultry and egg products for domestic and export market.

2. National Egg Coordination Committee is declaring the egg prices.

3. The Government is monitoring the quality aspects of the egg products meant for exports under the Export (Quality Control and Insepection) Act, 1963 through Export Inspection Council of India, for developing the confidence of the foreign buyers in repsect of quality of Indian egg products.
